

KAUH Track and Field Workshop

While the actual T&F season will be months away, we hope that the A.D.s from our schools will take advantage of this workshop to encourage their coaches (new, old, potential coaches and volunteers) to attend. With your support we will conduct this workshop at Waiakea from 9am to 3pm. and provide a stew and rice lunch for those who attend. Time is critical to spread the information to communicate with potential attendees.

One of KAUH's primary goals is to educate those who help with the coaching and officiating of youth participating in the various Track and Field events on the Big Island. This would include those in our High School and Middle School programs. We need to constantly seek and educate new individuals who will eventually replace those of us who currently serving as coaches or officials.
